### ADOPTION APPLICATION FORM

Thank you so much for your interest in one of our Turkish rescues

All of the dogs are abroad unless otherwise specified.

The adoption fee we ask for is a minimum of £300 per dog. This donation goes towards the government blood test, inoculations, rabies injection, neutering or spaying and the costs involved with looking after your new family member whilst they are prepared for travel (this is non-refundable once processes have been undertaken). You will need to pay for their transport (which we will arrange for you) this is up to £800 from Turkey to Folkestone (depending on Covid restrictions). We ask for a £200 deposit to reserve the animal you have chosen.

At Bird Island Farm, Kusadasi, Turkey we rescue animals and prepare them for finding new forever homes. We work hand in hand with people in the UK so that we have Rescue Back Up where needed. Please follow us on Facebook or Instagram.

By agreeing to adopt one of our dogs, at any stage after receiving your dog, you **MUST** contact us as a first port of call if you have a problem arise where you feel you can no longer look after your rescue. We will do everything in our power to resolve the issue or rehome.
